

**Certificate granting the right to use the seal EN<sub>plus</sub> with the  
certificate number**

**0206 / EE001**

Based on a cooperation agreement between the European Biomass Association (AEBIOM) and the certification body of *ofi* Technologie & Innovation GmbH (*ofi*-CERT) as well as the compliance with the requirements in the handbook for the certification of wood pellets for heating purposes of the European Pellet Council (EPC), which is in accordance with EN 14961-2, the holder of the certificate is granted the right to use the seal EN<sub>plus</sub> for the following products

**Wood Pellets (6 mm and 8 mm) for Heating  
Purposes with the Class A1**

of the certificate holder

**Palmako AS**

Betooni 9  
EE-51014 Tartu

produced at the site

Kavastu küla  
EE-62204 Luunja vald

It is herewith confirmed, that the self-inspection executed by the manufacturer and the initial type-testing as well as audit-testing checked by the certification body *ofi*-CERT had been performed according to the requirements in the handbook for the certification of wood pellets for heating purposes of the European Pellet Council (EPC), which is in accordance with EN 14961-2. This certificate confirms, that all requirements of the

**Handbook for the Certification of Wood Pellets for Heating Purposes (Version 2013)**

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 2013-05-03 and is valid till 2016-05-02 .

Vienna, 2013-05-03

DI Udo Pappler  
Head of certification body *ofi*-CERT
